**Re: Daniels Sand Pit 2, Permit No. M-1973-007-SG;  
Acreage Reduction Approval, Revision No. AR-2**

Dear Mr. Laroche:

On February 28, 2018, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 286.12 acres, through the release of 66.18 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier  
Environmental Protection Specialist
