Re:2017 Annual Report of Parshall Pit #M-1998-034

Dear Sirs,

During the year of 2017 approximately 28,500 tons of material was processed and sold. The disturbed area has remained the same and is not expected to grow in 2018. Spot spraying for weeds was minimal and the same mixture of milestone and escort was used.

Sincerely,

Suzanne Dockett
President
