Re: CBC Gravel Pit, Revision Denial, Permit No. M-2009-030, Technical Revision Denial, Revision No. TR-1

Dear Mr. Cressler:

On March 7, 2018 the Division of Reclamation, Mining and Safety consider your request for the CBC Gravel Pit, addressing the following:

- *Allow the importation of offsite inert fill.*

The Division **denied** your Technical Revision request. The information required by the Notice of Receipt and Adequacy Review dated January 4, 2018 was not submitted. Therefore your Technical Revision has been denied. Please re-submit a Technical Revision with the required information and fee to the Division's Denver office to address the importation of offsite fill materials. If you have any questions or concerns please feel free to contact me at the Division's Grand Junction Field Office or by phone at (970)-243-6368.

Sincerely,
