Re: Notice of Formal Board Hearing, Pre-hearing Conference, and Recommendation Date for a 112c Permit Application with Public Objections, Transit Mix Concrete Co., Hitch Rack Ranch Quarry, File No. M-2017-049

Dear Party and/or Interested Person:

The Division of Reclamation, Mining and Safety (Division) appreciates you taking time to participate in the review process of the above referenced permit application. The application for the Hitch Rack Ranch Quarry was filed with the Division on November 9, 2017 by Transit Mix Concrete Co. (Application). The review period for the Application will close on March 30, 2018.

An explanation of the Division's review process, your rights as either a party or non-party, and the jurisdiction of the Mined Land Reclamation Board (Board) is provided in a 12-page memorandum, "Guide to Citizen Participation in the 112 Reclamation Permit Application Process for Construction Material and Hard Rock/Metal Mining Operations", dated October 2, 2001, revised January 12, 2006. This memo is available through the Division's website at www.mining.state.co.us, specifically at the following link: www.mining.state.co.us/SiteCollectionDocuments/112processmemoFinal.pdf. As noted in the memo, in these proceedings, the Division's authority is limited to enforcement of the Colorado Land Reclamation Act for the Extraction of Construction Materials, 34-32.5-101, *et seq.*, C.R.S. (Act) and the Mineral Rules and Regulations of the Colorado Mined Land Reclamation Board for the Extraction of Construction Materials (Rules). A copy of the Construction Materials Act and Rules are available through the Division's website.

The Division has received timely written objections to the Application. Therefore, pursuant to Rules 1.4.9(2)(a) and 1.7.4(2), the Division has scheduled the Application for a formal Board hearing for consideration. The hearing has been scheduled for the **April 25-26, 2018** Board meeting, which will occur at Hotel Eleganté Conference and Event Center, 2886 S. Circle Dr., Colorado Springs, CO 80906 (in the Summit Ballroom), beginning at 9:00 a.m. or as soon thereafter as the matter can be considered. During the hearing, the Board will consider the Application with objections and may decide to approve, approve with conditions, or deny the Application.

Pursuant to Rule 2.7, the Division has also scheduled a Pre-hearing Conference to occur on **April 9, 2018** at the Centennial Hall Auditorium, 200 South Cascade Avenue, Colorado Springs, CO 80903, from 1:00 p.m. to 4:00 p.m. The Pre-hearing Conference will be held to describe the Division's review process, to explain the rights and responsibilities of parties, to discuss and resolve issues to the extent possible, to describe the Board hearing processes, to propose a list of issues under the Board's jurisdiction, to simplify that list, and to identify parties. The Board has appointed Mr. Jeff Graves to preside as the Pre-hearing Conference Officer.

In preparation for the Pre-hearing Conference, all parties are strongly recommended to review Rules 2.6 and 2.7. At the Pre-hearing Conference all parties must provide the Division with five copies of a written list of potential witnesses and exhibits for the Board hearing. Pursuant to Rule 2.6(2)(a), the list must include each witness name, current address, and phone number, area of expertise (if expert witness), and the subject matter of the testimony. Pursuant to Rule 2.6(2)(b)(i), for any materials not already in the Division's public files, all parties must provide complete copies of any exhibits for the Board hearing. Pursuant to Rule 2.6(2)(b)(ii), for any materials that are already in the Division's public files, all parties must provide copies of the list of materials to be used with sufficient specificity to describe the exhibit, including but not limited to the specific title or description of each exhibit. The list must also specify where other parties may review and obtain a copy of each exhibit.

Pursuant to Rules 2.6(2)(b)(i) and (ii), each party to the hearing shall provide copies of all materials mentioned above to all other parties to the hearing. Due to the number of parties in this matter, the Board will formulate submittal procedures specific to this Application. The procedural order describing how to submit witness and exhibit lists, exhibits, motions, and response to motions for this Application will be provided to all parties under separate cover prior to the Pre-hearing Conference. This order will be sent by the Board.

Pursuant to Rule 2.7.3(4), any party who does not attend the Pre-hearing Conference forfeits its party status and all associated rights and privileges, unless such party provides a fully executed proxy authorization form to the Pre-hearing Conference Officer, and the party's authorized representative is present. An official proxy authorization form may be accessed through the Division's website at this link: www.mining.state.co.us/SiteCollectionDocuments/AuthorizationtoAppearonBehalfofaParty.pdf.

Prior to the Pre-hearing Conference, the Division will issue its recommendation to the Board for approval, approval with conditions, or denial of the Application. A copy of the Division's recommendation and rationale document will be provided to all parties and interested persons.

A list of all parties and interested persons and their contact information will be available at www.mining.state.co.us, through the Laserfiche system (Permit No. M2017049), which can be accessed from the Division's website via the "Imaged Document Data" link under "Reports and Data".

If you have any questions, you may contact me at 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at 303-866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
