Brock,

To my knowledge it has not.

Tony

**Subject:** [EXTERNAL] NHN PR2 ownership and control

Tony,

The comment period for PR2 at NHN closed last night. We did not receive comments.

Has the ownership and control information changed since an AVS was conducted at proposed decision?

Brock

CAUTION: The Applicant/Violator System (AVS) is an informational database. Permit eligibility determinations are made by the regulatory authority with jurisdiction over the permit application not by the AVS. Results which display outstanding violations may not include critical information about settlements or other conditions that affect permit eligibility. Consult the AVS Office at 800-643-9748 for verification of information prior to making decisions on these results.

There were no violations retrieved by the system
