Ms. Eschberger, This email is to oppose the expansion of Transit Mix Concrete Co., Hitch Rack Ranch Quarry, File No. M-2017-049. My husband and I are citizens of Colorado Springs and travel to the San Luis Valley via Hwy. 115 toward Canon City. I am a licensed Landscape Architect and my husband John is a physician. Both of us consider the additional traffic and environmental disruption would create longterm, negative impacts that are not justified by the company's benefits.

Thank you,  
Fawn Bell
