**RE: Knox Pit, DRMS Permit Application No. M-2017-036
112c Application Approved with Conditions, Performance and Financial Warranty Request**

Dear Mrs. Fancher-English,

On March 21, 2018 the Colorado Mined Land Reclamation Board (Board) approved the 112c application for the Knox Pit with conditions. Please fill out and return the Performance Warranty form. Also, please provide the required Financial Warranty in the amount of \$788,900.00. Depending on the type of Financial Warranty you plan to provide, please fill out and return the appropriate Financial Warranty form as well. The Performance and Financial Warranty forms can be found on our website at <http://mining.state.co.us/Forms/Pages/WarrantyForms.aspx>.

Once the Division receives and approves the Performance Warranty and the Financial Warranty and we have received the signed Board Order to approve the application, the permit will be issued. Until the permit is issued, the mining operation may not begin at the site. If you have any questions feel free to contact me at (303) 866-3567, extension 8120. If you have specific questions about the Performance Warranty and Financial Warranty types and forms, please contact Barbra Coria ext. 8148.

Sincerely,

Jared Ebert
