RE: Martin Mesa Drilling, P-2017-012, Surety Bond Release

MAR 26 2018

Dear Mr. Czapla:

On March 8, 2018, this office received via email your correspondence regarding the release of Andrews Mining, LLC \$3,500.00 reclamation bond related to the Martin Mesa Drilling Project (CDRMS NOI # P-2017-012). This project was exploratory drilling that was done in October, 2017. Three holes were drilled and reclaimed.

On March 19, 2018, we inspected the drilling locations and we are satisfied with the reclamation. Therefore, we concur with your decision to release the \$3,500.00 reclamation bond associated with the NOI # P-2017-012.

Please call Barney Buria at (970) 240-5333 if you have any questions.

Sincerely,

Gregory Larson
