RE: Martin Mesa Drilling, NOI # P-2017-012, Surety Release Request (SL-01), Approval

Dear Mr. Martin:

On March 7, 2018 the Division of Reclamation, Mining and Safety (Division) inspected the drilling site and determined that the reclamation is complete and complies with the requirements of the Act, Rules and Regulations, and the approved Reclamation Plan, and that the site is ready to be released from any further reclamation responsibility. The Division has approved the full surety release, SL-01.

According to Rule 1.4.11(1)(b), the Division must wait 30 days from the date of this letter, before releasing the financial warranty, in order to address any comments or objections to this decision. If you have not received the financial and performance warranties by May 7, 2018, please contact Barbara Coria at (303) 866-3567, ext. 8148.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czapla
