As a member of this community I wish to register my opposition to the Hitch Rack Ranch Quarry File No.

M-2017-049

The mining will negatively affect our beautiful area with long term results, such as habitats for wildlife!

Highway 155 is already a dangerous road and with 500 to 600 trucks 6 days a week hauling gravel, it will be

dangerous and undrivable for Coloradans and visitors.

Please stop this insanity and stop the quarry!

Sincerely,

Nancy Borden
