Re: East Rigden Pit, Permit No. M-1979-097, Technical Revision Approval, Revision No. TR-6

Mr. Figgs:

On April 4, 2018, the Division of Reclamation, Mining and Safety (Division) approved your Technical Revision application submitted to the Division on March 9, 2018, addressing the following:

Extension of the underdrain system installed in 2017 (approved as TR-5) to remove standing water west of the lined reservoir.

Please submit to the Division the as-built construction drawings for the approved underdrain extension after it has been constructed.

The terms of the Technical Revision No. 6 approved by the Division are hereby incorporated into Permit No. M-1979-097. All other conditions and requirements of Permit No. M-1979-097 remain in full force and effect.

If you have any questions, you may contact me by telephone at (303) 866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
Environmental Protection Specialist
