I'm probably too late since you issued a decision on RN-07, but just in case there have not been any changes that I'm aware of anyway.

Subject: [EXTERNAL] NH2 ownership information

Tony,

Has the ownership and control information changed at the NH2 Mine, C-1981-008 since it was last updated in March 2017 in TR-79?

Brock

CAUTION: The Applicant/Violator System (AVS) is an informational database. Permit eligibility determinations are made by the regulatory authority with jurisdiction over the permit application not by the AVS. Results which display outstanding violations may not include critical information about settlements or other conditions that affect permit eligibility. Consult the AVS Office at 800-643-9748 for verification of information prior to making decisions on these results.

There were no violations retrieved by the system
