RE: My Queen; DRMS File No. M-2018-014; Receipt of Citizen Complaint

Dear Ms. Black,

The Division is in receipt of your complaint submitted on March 17, 2018. The issues raised in your complaint letter are regarding a dispute as to the location of patented and unpatented mining claims. On March 5, 2018, you were informed the Division does not administer mining claims or adjudicate matters related to mining claim disputes. Such issues are outside of the jurisdiction of the Division and are considered to be civil matters. Therefore, the Division will not conduct a site inspection or conduct any investigation into this matter. Resolution of your dispute should be pursued through the Bureau of Land Management or the Boulder County Land Use Department.

If you have any questions, please contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham
Environmental Protection Specialist
