***RE: Nolte Pit #1, Permit No. M-2012016, Technical Revision (TR-3) One Week Extension
Request Approval***

Dear Mr. Simonson:

On April 12, 2018 The Division of Reclamation Mining and Safety (Division) received a request for a one week extension to remaining address adequacy issues for TR-3. This request was received as an electronic PDF via email. The original decision due date for this request was April 13, 2018. The Division is approving the one week extension request to the decision due date.

The new decision due date for your technical revision request is April 20, 2018. Please submit your responses to adequacy review #3 by Wednesday, April 18, 2018 in order to allow the Division sufficient time for review.

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 970-254-8511 or via email at amy.yeldell@state.co.us
