RE: M-2018-010

Dear Mr. Cazier,

Fremont County would like to request an extension of the above-referenced application, as per our phone conversation today. We require a little more time to gather information, specifically the seed mix report from the NRCS. I believe we have submitted all other required documentation you requested on April 12, 2018; to include: Geologist report, BLM lease with conditions about the railroad, and the extension request.

We will forward the seed report from the NRCS as soon as we receive it.

Thank you for your patience and assistance during this process!

Sincerely,

Annette Ortega
