Re: Incas Mine, Permit No. M-1986-076, Change of Status Approval

Dear Mr. McClure:

On April 16, 2018 the Division of Reclamation, Mining and Safety received your Change of Status and Notice of Activation. The Division has approved the change of status, and has hereby changed the status of your permit from 'Temporary Cessation' to 'Active'. Given the elevation and difficulty of access to the site, the Division considers the above listed site to be an 'Intermittent Operation'.

The terms and conditions of Permit No. M-1986-076 remain in full force and effect. If you have any questions or concerns please feel free to contact me at the Division's Grand Junction Field Office, by phone at (970)-243-6368 or by email at lucas.west@state.co.us.

Sincerely,

Lucas West
