**Re: Poorman Mine, Permit M-1982-058, Succession of Operators Approval, Revision SO-1**

Dear Alvin Mosch:

On April 16, 2018, the Division of Reclamation, Mining and Safety approved the succession of operators from Rocky West Mining Corp. c/o Alvin Mosch to Mosch Exploration & Mining, LLC for this operation. Mosch Exploration & Mining, LLC is now the permitted operator of the Poorman Mine, and as such, is responsible for all provisions in M-1982-058, as well as those specified in the Rules and Regulations.

Upon receipt of the financial warranty amount of \$100.00 for this operation by Mosch Exploration & Mining, LLC, your bond will be released. Should Mosch Exploration & Mining, LLC fail to provide the required financial warranty for reclamation liability within 60 days of notification, this Succession of Operator will be denied and Rocky West Mining Corp will remain responsible for all provisions in M-1982-058, as well as those specified in the Rules and Regulations.
