RE: Robert Michael #1; DRMS File No. P-2018-008; Notice of Receipt of Application

Dear Mr. Berry,

On April 18, 2018 the Division of Reclamation, Mining and Safety (Division) received your Notice of Intent to Conduct Prospecting Operations (NOI) application. The NOI was considered to be submitted on April 18, 2018. The Division posted the non-confidential form (Form 2) on the Office website on April 18, 2018 in accordance with the requirements of Rule 5.1.3. Any public comment or request for disclosure of information designated as confidential regarding the NOI must be received by the Office no later than ten (10) working days after the notice was posted on the Office website (May 2, 2018).

The Division will begin its review of the NOI and will contact you within twenty (20) working days of the posting date (May 16, 2018) regarding any deficiencies or if the review indicates the proposed operations are considered to be mining, rather than prospecting.

If you have any questions, please contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham
Environmental Protection Specialist
