Hello Mr. Bell,

I have reviewed the 111c application to determine if it is complete. One item I noticed was page 1 of the application indicates Castle Rock Construction Company of Colorado, LLC. is the owner of the Surface and Subsurface rights of the affected land. I believe the owner is actually John Yocam. Can you send me an electronic copy the first page of the application indicating John Yocam is the owner of the surface and subsurface rights?

If I do not receive a revised page by Wednesday May 2, 2018 I will have to deem the application incomplete for the purposes of considering the application filed.
