**Re: File No. M-2018-010, SH 69 Gravel Pit, Decision Letter;
Performance Warranty Request - Construction Limited Impact Operation**

Mr. Adamic:

On April 30, 2018, the Division of Reclamation, Mining and Safety approved your 110c mining permit application.

As a county government, you are not required to provide a financial warranty. You must however, submit a performance warranty in order for us to issue a permit. We have enclosed a performance warranty form with this letter for your use.

PLEASE NOTE THAT MINING OPERATIONS MAY NOT COMMENCE UNTIL A PERMIT HAS BEEN ISSUED BY THE DIVISION AFTER RECEIPT OF YOUR FINANCIAL WARRANTY AND PERFORMANCE WARRANTY. A PERMIT WILL NOT BE ISSUED UNTIL WE VERIFY THE ADEQUACY OF YOUR PERFORMANCE WARRANTY.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier
Environmental Protection Specialist
