**Re: Simla Highway Pit, Acreage Reduction Approval, Permit No. M-1995-095;
Revision No. AR-2**

Dear Mr. Schuler:

On May 3, 2018, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 7.89 acres, through the release of 0.83 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

A comment letter was received from the Colorado Division of Water Resources, a copy of which is enclosed for your records.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier
Environmental Protection Specialist
