RE: Robert Michael #1; DRMS File No. P-2018-008; Receipt of Request for Disclosure of Confidential Information

Dear Ms. Thurston,

The Division is in receipt of your letter dated May 2, 2018, in which you request a determination from the Mined Land Reclamation Board regarding the release of confidential information for the Notice of Intent to Conduct Prospecting Application (NOI) for File No. P-2018-008. On May 7, 2018, the Division determined the activities proposed in the NOI are mining rather than prospecting. Therefore, the NOI for File No. P-2018-008 was denied and the review of the Application was terminated. No further action will be taken with respect to the request for release of confidential information for this operation.

If you have any questions, please contact me at (303)866-3567 x8116.

Sincerely,

Michael A. Cunningham
Environmental Protection Specialist
