**Re: Wagner/Kauffman Pit #3, Permit No. M-1999-069, Approval of Acreage Reduction,
Revision No. AR-8**

Ms. Kauffman:

On May 24, 2018, the Division of Reclamation, Mining and Safety (Division) approved your request to release a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 86.70 acres, through the release of 98.30 acres (East Reservoir) in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, you may contact me by telephone at 303-866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
Environmental Protection Specialist
