Re: Adequacy Review, I I2c Construction Materials Amendment Application  
(AM-01) Big "G" Gravel Pit, Permit No. M-2006-081

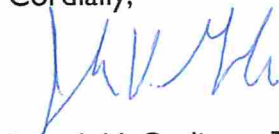

Dear Mr. Russell,

I have received the Adequacy Review for I I2c Construction Materials Amendment Application (AM-01) Big "G" Gravel Pit, Permit No. M-2006-081.

On behalf of the Applicant, Daniel J. Gaudreault and Barbara J. Gaudreault, please accept this letter as my request to extend the decision date by an additional 60 days. The current decision date is May 25, 2018. I request this time so that we may address the comments of the Adequacy Review.

If you have any questions, please call me at 719-547-7073.

Cordially,

Joseph V. Gagliano, P.E.  
Gagliano Engineering, Inc.
