RE: Upper Gold Links Portal, NOI# P-2014-018, Surety Release Request (SL-01), Approval

Dear Mr. Wilkinson:

The Division of Reclamation, Mining and Safety (Division) has approved the full surety release (SL-1) for the Upper Gold Links Portal NOI. The disturbance related to the prospecting operation is now included in the affected area covered by permit # M-2016-083, and as such is covered by the financial warranty for permit # M-2016-083. Therefore the Division determined the financial warranty for the NOI, P-2014-018, should be released.

According to Rule 1.4.11(1)(b), the Division must wait 30 days from the date of this letter before releasing the financial warranty, in order to address any comments or objections to this decision. If you have not received the financial and performance warranties by June 29, 2018, please contact Barbara Coria at (303) 866-3567, ext. 8148.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czapla
