To: Kurt Carlson <KCarlson@adcogov.org>

Kurt,

The Division will approve an extension of the corrective action due date to November 30th, 2018. Adams County committed to conducting this shore stabilization activity with the approval of TR02 in October of 2014 and we feel ample time has been given to address this issue. Please review TR02, and the Division's last inspection report.

Please let me know if you have any other questions.

Thank you,

Jared
