Hi Kathy: Catie Freels our zone archaeologist got back to me today. She informed me that we don't have to wait for SHPO concurrence for TR-145 to proceed. Have a great week!

Hi Catie: Kathy Welt from the West Elk Mine asked me to ask you how long it might take for the SHPO to respond with a concurrence letter regarding Technical Revision 145. She filed a 2 week extension with the Colorado Division of Reclamation Mining and Safety (CDRMS) that gives West Elk until June 15. I told her I didn't know how long it would take. Would it be possible to give them the go ahead pending the concurrence letter from the SHPO? Thanks Catie, sorry to have to bug you with this I know you're really busy.

Dan
