To Lucas West;

Pinon Ridge Mining LLC would like to request an extension for "removal/reclamation of unknown stockpile" at the Sunday Mine – Permit No. M-1977-285. Pinon Ridge Mining LLC is currently in discussions with Energy Fuels/White Mesa Mill in accepting the stockpile. If an agreement cannot be reached, Pinon Ridge will conduct a radiometric survey and submit the findings within 60 days, August 6th, 2018 to the Colorado Division of Reclamation, Mining and Safety.

Please do not hesitate to contact me if you have any questions or require any additional information.
