Amanda Adkins
P. O. Box 130
Rye, Colorado 81069

Dear Ms. Adkins:

I received your Notice of Intent (NOI) on May 17, 2018, to conduct prospecting activities on "The Rise Above" unpatented mining claim on National Forest System lands administered by the Pikes Peak Ranger District in portions of Sections 12 and 13, T. 14 S., R. 68 W., 6th Principal Meridian, El Paso County, Colorado.

In reviewing your NOI, it has been determined that a mining Plan of Operations (MPO) is not needed at this time. An MPO and a reclamation performance bond will be required for my review and approval if you *create significant resource disturbance to surface resources* as a result of proposing or doing any of the following:

- Failing to backfill any holes, pits or trenches;
- Cutting any trees;
- Using mechanized equipment;
- Using roads that are not National Forest System (NFS) roads with mechanized vehicles (including OHV);
- Creating new access routes or roads;
- Constructing any structures or facilities;
- Placing signage other than mine claim corner post identification;
- Do anything that might cause a significant disturbance.

No deviation from this NOI is authorized without my prior written approval. Your notice of intent is valid for one season or until December 31, 2018. You will need to submit a new NOI for any proposed activities after December 31, 2018.

Please note that where not otherwise restricted, it is prohibited to camp more than 28 days within a continuous 60 day period, and/or occupy any campsite for more than 14 days during this 60 day continuous period within three miles of the previous campsite. In addition, Forest Service Motor Vehicle Use Map (MVUM) rules and regulations require vehicles to park in areas immediately adjacent to NFS roads.

In prior year correspondence, I have enclosed information on the reclamation standards for this district for you to review and application. You are required to follow these standards to be in compliance with your NOI.

Finally, as a reminder, you are required to follow all State and Federal mining and water quality rules and regulations.

If you have further questions, please contact Jeffrey Hovermale of my staff, at 719-477-4201 or email at jhovermale@fs.fed.us

Sincerely,

A handwritten signature in blue ink, appearing to read "Oscar Martinez", with a stylized flourish at the end.

OSCAR MARTINEZ
District Ranger

Amanda, please find the attachment of response to your Rise Above claim.

Thank you,

Jeffrey Hovermale
