RE: Olathe Pit, Permit No. M-1984-108, Technical Revision (TR-2) Approval

Mrs. DeVincentis:

The Division of Reclamation, Mining and Safety (Division) has approved the Technical Revision request (TR-2) that was submitted on May 24, 2018, addressing the following:

Revise the mining and reclamation plans and associated maps.

The terms of TR-2 approved by the Division are hereby incorporated into Permit No. M-1984-108. All other conditions and requirements of the permit remain in full force and effect.

The estimated liability amount of *\$10,975.00* exceeds the *\$8,167.00* Financial Warranty currently held for this site. If you have not already done so, please submit additional financial warranty in the amount of *\$2,808.00*. The revision will not be final until the financial warranty is accepted by the Division.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czapla
