***RE: Gold Links Mine, Permit No. M-1987-143, Surety Reduction Request (SR-01), Approval***

Mr. Wilkinson:

The Division of Reclamation, Mining and Safety (Division) has approved your request for financial warranty reduction (SR-01) based on the fact that the work proposed through TR-2 never commenced and is no longer planned. The financial warranty amount that was associated with TR-2 is \$3,927.40. This amount is hereby approved for release back to the operator.

According to Rule 1.4.11(1)(b), the Division must wait 30 days from the date of this letter, before releasing the financial warranty, in order to address any comments or objections to this decision. If you have not received the financial warranty by July 27, 2018, please contact Barbara Coria at (303) 866-3567, ext. 8148.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,
