Hi Randy,

It has come to our attention the annual report fee and map for the Simla Highway pit is due July 8th. the complicating factor is as you know we're in the middle of the succession of operator transfer. I'm not certain the transfer will be completed before then. As such we recommend Henry submit the report, fee, and map as it is for the previous year.

The notice for the annual report was sent to Henry on June 8th. Please note he will need to create an account with us and submit the report, fee and map online.

Let me know if you have any questions.
