Re: Permit # M2018016, Douglas Mountain Mine Project

July 5, 2018

Dear Mr. Hays;

I am a citizen of Clear Creek County and have owned my home since 1974 in Georgetown. I am opposed to the development of a strip mine operation in Clear Creek County and to the proposed gravel pit is to be located next to the town of Empire.

Empire is a major route to Berthoud and mountain resorts, a national park and activities for all Coloradoans.

I hope you will consider carefully this proposal that will so drastically change for the worse our county, our land, air, traffic and safety in Clear Creek County.

Thank you for your consideration
