Subject: Empire gravel pit

To: <peter.hays@state.co.us>

Peter Hays

Thanks for taking comments about the Empire gravel pit. Please put me down as completely opposed for numerous reasons: environmental degradation, human health, wildlife, traffic volume and noise which will compound the human health issue, negative impacts on neighboring communities such as Georgetown, and more. And with no benefits to speak of for the Empire/Clear Creek community.

thank you

Jerry Fabyanic
