**RE: 6th Avenue Pkwy Borrow Pit, DRMS File No. M-2018-035
Notice of Filing an Incomplete 111c Application**

Dear Mr. Mang,

The Colorado Division of Reclamation, Mining, and Safety (DRMS or Division) received the above referenced application on Friday July 6th, 2018. The Division has reviewed the application and has deemed it incomplete for the purposes of considering the application filed in accordance with Rule 1.4.1(8). In order to make the application complete please address the following items:

1. The Division only received a financial warranty in the form of a corporate surety in the amount of \$6,000.00. Of the proposed permit area of 29.16 acres, it appears the Operator will affect 18.2 acres in accordance with page 44 of the reclamation plan. For a 111c application, the applicant must file a fully executed financial warranty in the amount of \$2,500 per acre of affected land. Given the proposed affected land is 18.2 acres, the required financial warranty for the site should be \$45,500.00. Please either replace the \$6,000.00 financial warranty with the full amount or provide a surety rider to increase the financial warranty to the full amount.
2. Exhibit I, proof of filing with the Arapahoe County Clerk and Recorder's Office, as submitted was blank. Please provide this exhibit and include an affidavit or receipt indicating the date on which the application was placed with the local County Clerk and Recorder for public review in accordance with Rule 6.3.9 and 1.6.2(1)(c).
3. Exhibit J, proof of mailing of notices of the application to the Board of County Commissioners, as submitted was blank. Please submit this documentation.

The Division must receive the above referenced items within sixty (60) days from the date of this notice letter (due September 9th, 2018) in order for your application to be deemed complete for the purposes of considering the application filed. If at the end of the sixty day period, and the application is not determined to be complete, the Division may deny the application and terminate the application file.

If you have any questions feel free to contact me at (303) 866-3567, extension 8120.
