Re: Jarnagin Pit, File No.M-2018-022

Dear Elliott R. Russel,

Colorado Parks and Wildlife (CPW) is in receipt of the above referenced permit application and is familiar with the site. Based both on the location and type of action that has been taken CPW believes impacts to the wildlife resource to be negligible. We appreciate being given the opportunity to comment. Please feel free to contact District Wildlife Manager, Benjamin Meier, should you have any questions or require additional information at 719-349-1246 or via email at benjamin.meier@state.co.us.

Sincerely,

Frank McGee
Area Wildlife Manager
