Re: Adequacy Review Response

Mr. Russell:

We are in receipt of the Adequacy Review and are asking for a 30 day extension and waiver so that we can get the proper information from the NRCS regarding seeding mixture for the site as well as a soil report for the area. Unfortunately, this week is the County Fair for Kit Carson County and offices are understaffed to accommodate 4-H programs as well as Livestock commitments.

There are also 2 comment letters that need to be addressed by David L. Hornung and he is unavailable this week.

Thank you for your patience with this.

Sincerely,

Peggy L. Dunlap, Deputy Administrator  
Kit Carson County
