**Re: 2018 ANNUAL REPORT M-1976-020 – Thomas Pit**

To Whom It May Concern:

Included, please find the Annual Report and Map for the above referenced permit.

This site has been fully reclaimed pursuant to the conditions of the permit and is currently under preliminary consideration for Release of Financial Obligation.

The landowners have yet to determine whether they wish to approve release or to succeed as operators with possible future extraction on the property. Four Corners Materials is comfortable with either outcome.

Sincerely,

Matt R. Carnahan  
Resource & Environmental Manager
