To: Peter Hays - DNR <peter.hays@state.co.us>

Peter

In light of the changes of ownership to the Douglas Mountain Ranch Mine (File M-2018-016), the applicant, Empire Aggregate, Inc, will need to amend the application to change the permit boundary and permit area. To accommodate this, Empire Aggregate requests an extension of the current application to August 31, 2018. This will allow time to amend the application as appropriate.
