Dear Mr. Hays,

This is Ian Schimpfle of Lost Creek Mining, LLC. I am not certain if you are the correct person to contact about this, so I apologize if you are not. I am writing to inform CDRMS that we are changing our mailing address. It is no longer PO Box 271052 Louisville CO, 80027. Our new mailing address is [3160 Kassler Pl. Westminster, CO 80031](#). This is in reference to numbers M20180008, and M2017047.

I am sure I will be in touch soon, as we go through the permitting process. As always, thank you so much for all of your help!

Kind Regards,

Ian M. Schimpfle
