***RE: Arnold Gulch Pit, Permit No. M-1998-091, Technical Revision (TR-1 ) Approval***

Dear Mr. Cogan:

On July 27, 2018 the Division of Reclamation, Mining and Safety (Division) approved the Technical Revision request (TR-1) addressing the following:

*Revise mining plan to cease further mining to the west in the Phase 6 area, and mine an additional crescent shape area on the south side of the existing pit. There will be no change in permit acreage. Permit area to remain 9.9 acres.*

The terms of the TR-1 approved by the Division are hereby incorporated into Permit No. M-1998-091. All other conditions and requirements of the permit remain in full force and effect.

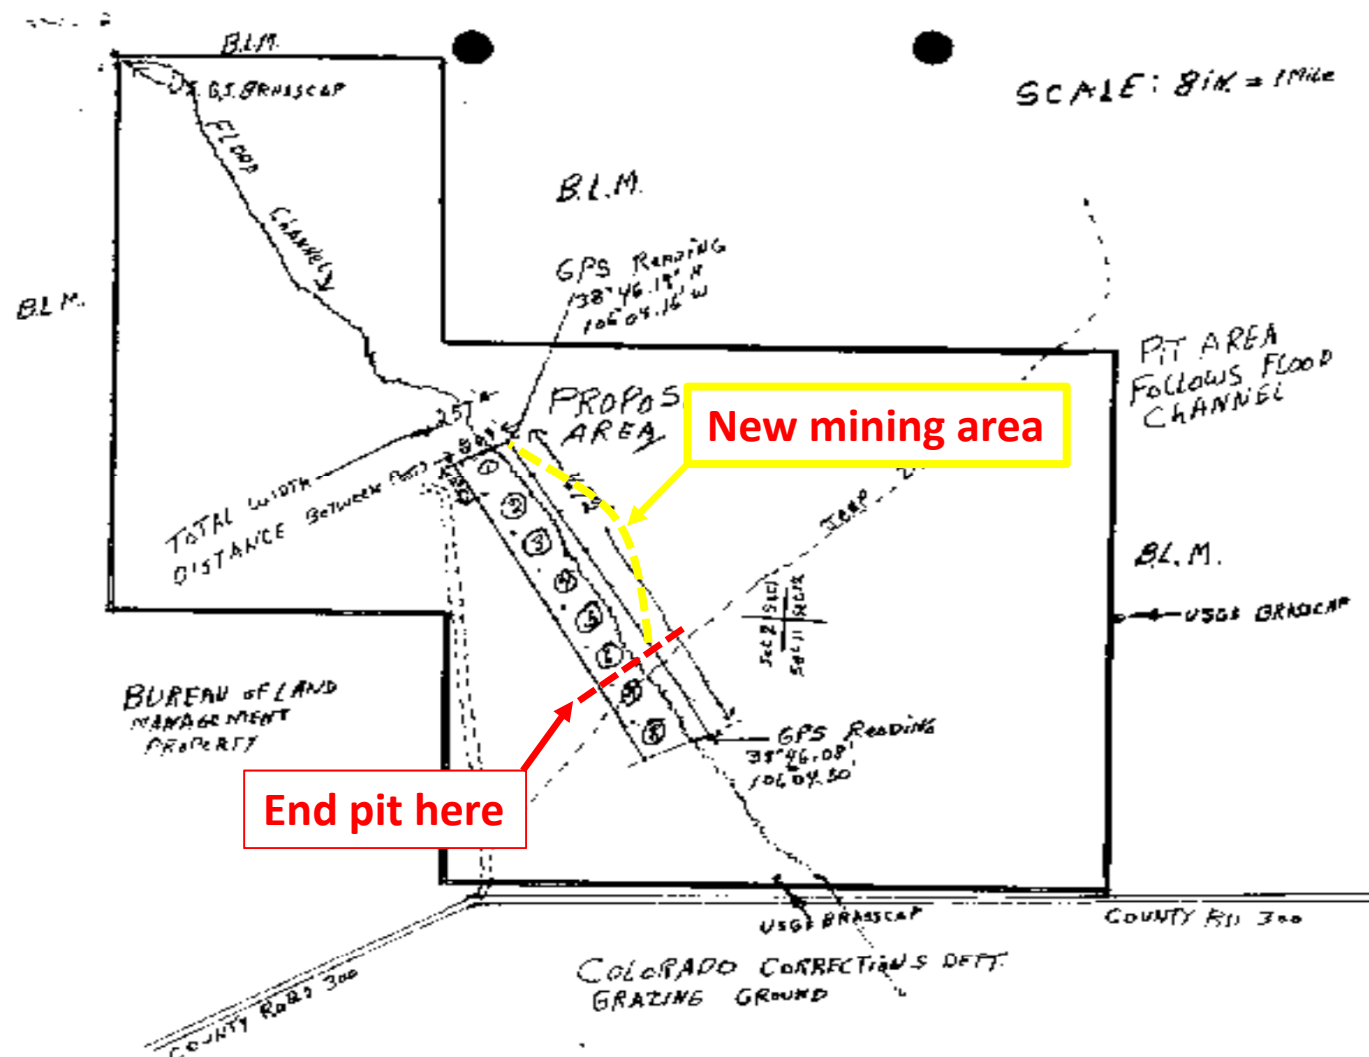

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

***Dustin Czapla***
