Response to Adequacy Review of MR-125

Dear Mr. Zuber:

In response to the Adequacy Review of MR-125, NECC is going to amend the proposed Weed Management Plan to include text stating NECC will follow the Colorado Weed Management Act. Also NECC will use localized seeding as part of the Weed Management Plan. Attached are the revised pages to be inserted on page 67 and the new page 67a of section 2.05 of the New Elk PAP.

Sincerely,
