Re: Application for a Mined
Land Reclamation Permit

Dear Ms. Sisnroy:

We are delivering to you here with the second adequacy response packet for 22 West Pit to be operated by Deep Cut LLC. One copy of this packet is on file with the Division of Reclamation, Mining & Safety. This copy is delivered to you pursuant to 34-32.5-112(9)(a), Colorado Revised Statutes 1995, as amended, which states in part:

... the applicant shall place a copy of such application for public inspection at the office of the Board and Office of the County Clerk and Recorder of the county in which the affected land is located.

This packet must be kept for public review until the permit has been approved by the Division. We will contact you once it is and make arrangements to pickup this copy.

Please acknowledge receipt of the copy of the second adequacy response packet by signing in the appropriate space provided below and returning one copy of this letter to the person delivering the book. This will be submitted to the Division of Reclamation, Mining & Safety to prove the adequacy response packet was delivered to your office.

Yours truly,
