Jared,

Per our phone conversation I am requesting on behalf of my client Colorado Rose Red, an extension of the decision date for the Colorado Rose Req Stone Quarry, M-1978-332 from Friday August 24, 2018 until Monday September 24, 2018. This will give us more time to address the outstanding Geotechnical Study issues raised in the adequacy review letter.

If you have any questions please call me.

Thank you,

Steve
