RE: Withdrawal of Technical Revision 04, Vollmer Pit  
Permit Number: M-1983-035

Dear Mr. Cazier:

In accordance with decisions made in the meeting yesterday between the Division, Schmidt Construction, and the new landowner, Turkey Cañon Quarry, Inc., Schmidt Construction Company respectfully requests that Technical Revision 04 be withdrawn from further consideration. In the meeting it was decided to take a new approach to reaching a final disposition for this operation and continuing with that technical revision is no longer compatible with the new plan and approach.

Thank you for your consideration.

Sincerely,

Mark A. Heifner
