RE: Mid-Continent LST, Permit No. M-1982-121, Technical Revision (TR-5) Approval-Revised

Dear Mr. Dangler:

On August 30, 2018 the Division of Reclamation, Mining and Safety (Division) received your request to revise the proposed Drill Hole Area Center Point Locations of TR-5. These changes are being requested proactively and do not have a major impact on the intent of the activity previously approved. No other changes to the drilling plan are being requested and the change has no impact on the bond. Therefore the Division approves your request to revise the Drill Hole Area Center Point Locations as listed below.

TR-5 Drilling Hole Area Center Point Locations

Drilling Location #1	Drilling Location #2	Drilling Location #3
Latitude: 39.569923°	Latitude: 39.569692°	Latitude: 39.569583°
Longitude: -107.323431°	Longitude: -107.322388°	Longitude: -107.321267°

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 970-254-8511 or via email at amy.yeldell@state.co.us

Sincerely,

A handwritten signature in blue ink that reads 'Amy Yeldell'.
