Re: Holcim (US) Inc. – Slab Canyon TR-2 Adequacy Review Extension Request

Ms. Eschberger,

Holcim is formally submitting this request for an extension of the required response to the Division's adequacy review. We have been working on compiling the required information, but there are still two pieces of information we need to gather before we can provide a full response.

Holcim expects to provide a response on or before September 14, 2018. Please contact me at 719.288.1423 if you have any questions regarding this matter.

Sincerely,
