**Re: Slab Canyon Quarry, Permit No. M-1977-347, Technical Revision No. 2 (TR-02)  
Decision Date Extension Approval**

Mr. Dease:

On September 4, 2018, the Division of Reclamation, Mining, and Safety (Division) approved your request to extend the decision date for Technical Revision No. 2 (TR-02) submitted for the Slab Canyon Quarry. The decision date is now set for **September 14, 2018**.

This revision may be deemed inadequate and the request denied if the permittee fails to address the adequacy items to the Division's satisfaction by the decision date. If additional time is needed to submit a response, an extension request must be received by our office by the decision date.
