Dear Jared;

RE: Colorado Rose Red, Inc - Colorado Rose Red Pit  
M.L.R.B. Permit # M-1978-332

On behalf of my Colorado Rose Red Inc., I am requesting a extension of the decision date from Monday, September 24, 2018 to Thursday, November 15, 2018 allow additional time for us to complete the adequacy review responses and give the Division time to complete review of the additional information generated by our responses. Colorado Rose has contracted with a company to get the geotechnical analysis study done, we expect to have it in early October and will get the final adequacy responses to you shortly after we get the report.

Thanks for your help and if you have any questions call me at 303-423-7297.

Respectfully Submitted,  
Environment, Inc.
