**Re: Longmont Distel Operations, Acreage Reduction Approval, Permit No. M-1989-029,
Revision No. AR-01**

Ms. Felz:

On September 13, 2018, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 593.00 acres, through the release of 119.00 acres from the Peschel, Sherwood and northwest portion of the Bigelow Parcels in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,
